Pipe stoppers type 1020 and 1021

Stoppers for temporary closing of pipes.

The stoppers can in general resist less pressure and should by preference be used in pressure less pipes.
The maximum testing pressure is 0,1 bar > 600 mm. and 0,3 bar < 600 mm.

Also deliverable **type 1021**.
This stopper is provided with a double rubber ring.

Nominal measure	Internal diameter minimum	Internal diameter maximum
1"	22	27
1.1/2"	36	48
2"	49	60
2.1/2"	61	75
3"	73	85
3.1/2"	84	95
4"	94	110
4.1/2"	108	120
5"	121	138
5.1/2"	134	148
6"	146	163
7"	170	195
8"	191	211
9"	213	235
10"	244	260
